

Bioskills Lab Tracy, CA

Pacific Medical's Bio-Skills & Medical Education facilities were built for surgeon customers whom we have the privilege of serving. It is intended to provide the venue to enhance surgical skills and new technical innovations.

Highlights:

- 12 station wetlab with HD imaging technology
- Flouroscopy
- Multi-discipline, all medical specialties
- Ability for Open, Arthroscopic, and Endoscopic procedures
- 250 seat auditorium
- 75 person entertainment lounge
